

SENECA'S EV EXPANSION PLAN

COMPLETED WORK

Surveyed 150+ students/staff

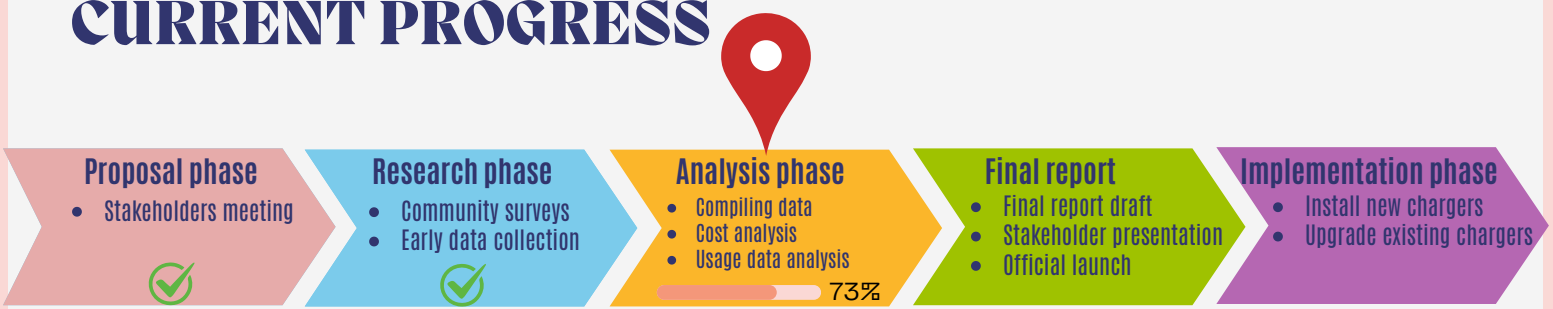

Charger count accross campuses

List of completed items

- Current number of chargers vs needed to meet demand
- Mapped out location for new chargers
- Early cost analysis

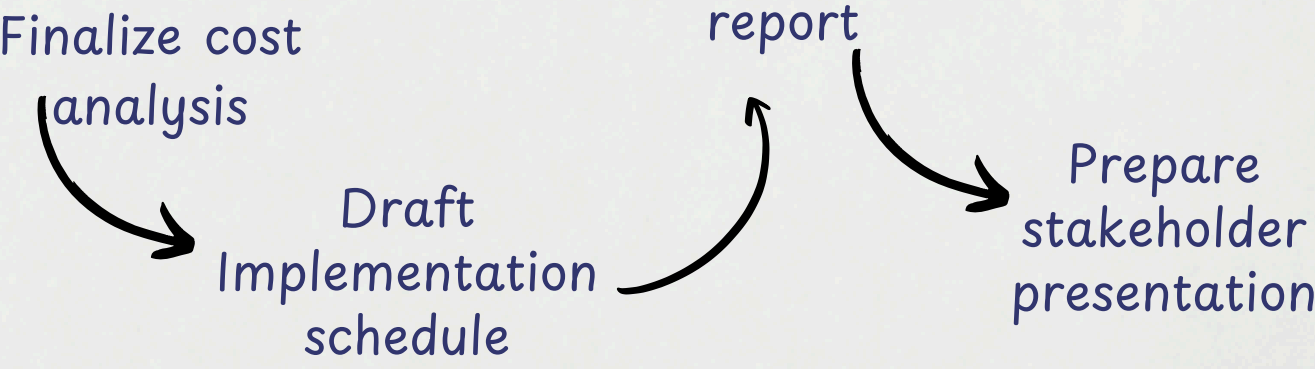

CURRENT PROGRESS

CHALLENGES

- Space limitation at King campus
- Delayed survey results
- Limited meetings with project team
- Early costs analysis show tight restrictions

NEXT STEPS

Team members

- Sulaiman G. – **Project manager**
- Joseph M.M – **Data analyst**
- Lovish – **Environmental specialist**
- Rohit – **Lead engineer**
